## Fly Fishing - Scotland, Spey 30.4-7.5.2023

**Fly fishing trip to one of the most famous salmon river, the Spey in Scotland on 30th April-7th May 2023.** The destination will be famous Castle Grant Beats 1 and 3 in middle Spey, close Grantown on Spey. We have two separate fine beats to fish and rotation fishing between these two beats. The period in May is prime spring fly fishing time on Spey and could be described as finest salmon fishing in Scotland. The host of this fly fishing trip will be Jouni Rauha.

**Spey.** The Spey is located in the north-east of Scotland and it is the second longest and the fastest flowing river in Scotland. It is very famous and one of Scotland's big four salmon rivers. The Spey is well known for its early run salmon and there is good spring fishing season from March until the end of May. The Spey is a very beautiful river which suits excellently for fly fishing. The fishing on the river Spey is catch and release.

**Fly Fishing - Castle Grant.** Our fly fishing group will fish the Castle Grant Beats 1 and 3 on middle Spey, about 4-8 km downstream from Grantown on Spey. Set amid scenery of Speyside, the fly fishing available at Castle Grant Beats 1 and 3 rank among the finest in Scotland. The beat 1 is 2,4 km and beat 3 is 1,6 km of superb double bank fly water in quiet tranquil surroundings.

We have two separate fine beats to fish and rotation fishing between these two beats so that during the week every fisherman can fish both beats. The river averages about 30-50 yards in width and the pools vary from 5 feet to 10 feet in depth. Both beats have many great pools to fish and comfortable fishing hut with toilet and cooking facilities. Castle Grant beats 1 and 3 offer great variety of fishing and are excellent fly water including fast runs and deep pools. Fishers are accompanied on the river by 2 full time ghillies and beats are booked exclusively for our fishing group.

**Fly Fishing Tackle.** For fly fishing for salmon on Spey we recommend 12-15 ' feet double handed rods for lines #8-11 and suitable fly reels with good quality disc brakes. Floating, sink tip or intermediate shooting heads are most used fly lines but please bring also medium sinking fly line or shooting head for possible high water conditions.

**Flies.** Good fly patterns for Spey are: Black Sheep, Dee Sheep, Black & Yellow, Willie Gunn, Munro Killer, Thunder & Lightning, Allys Shrimp, Garry and Cascade.

**Accommodation** for guests will be in a large charming Scottish villa, Achnagonalin House close to Grantown on Spey and 3-6 km from Castle Grant beats 1 and 3. This house offers gorgeous landscape and high standard accommodation for the fishermen; 8 bedrooms, a nice kitchen, 3 bathrooms, a dining room and a nice sitting room. We will cook the meals together in accommodation or dine at local restaurants.
