## Fly Fishing – Cuba, Cayo Largo 17.-27.2.2022

**Fly fishing for Tarpon, Permit, Snook and Bonefish in Cayo Largo in Cuba. Fishmaster will arrange a hosted fly fishing trip to Cayo Largo on 17th-27th February 2022.** Jouni Rauha from Fishmaster will be the host. Cayo Largo is considered to be an excellent tropical fly fishing destination.

**Cuba.** Aside from its fascinating culture and Caribbean hospitality, Cuba has long been synonymous with some of the finest fly fishing in the world. For the last decades of fishing operation has brought together the most exclusive areas of the country combined with a high level of service in what are logistically complex environments.

**Fly Fishing.** This huge Cayo Largo area consists of several different types of flats that can be waded and fished from special boats. The fishing season is long and fishing is done with single hand fly rod. Tarpon, bonefish, permit and snook are plentiful. Local fishing guide will take you by boat to a range of interesting fishing locations and show where to cast. The guides know waters well and speak English.

**Cayo Largo** is an outstanding location for producing Grand Slams and Super Grand Slams, in part because the permit fishing is consistently so good. Each of these fisheries regularly produce 25 pound + permit for anglers and we don't know of too many other places that boast the number of weekly Grand Slams that Cayo Largo do. Anglers in this destination will periodically find permit tailing on the flats in 1 to 2 feet of water. As far more common way to find permit is to go looking for sting rays feeding in 2 to 3 feet of water. Permit are intelligent, opportunistic feeders. They will follow behind sting rays, using the rays to flush out crabs and shrimp which the permit will then eat before the ray has a chance to get its meal.

Cayo Largo is the best location in the world for finding big permit on the backs of rays and the guides are experts at reading the water and tides in order to find this unique phenomenon. Fifteen to 25 pound permit are commonly found feeding on the backs or rays at Cayo Largo, so if you are dreaming of landing a big permit, Cayo Largo is the destination of choice. Cuba's south coast permit can also be found swimming with large schools of bonefish. This scenario presents its own challenges because bonefish will often take the fly before the permit has a chance to eat it, unless fly is cast to the right location.

**Fly Fishing Tackle.** 9 feet long 7 or 8 weight fly rod is good for bonefish and one 9 or 10 weight for tarpon and permit. High-performance reels with a good brake system are required, capable of holding 200-250 yards of 20-pound backing. We recommend weight forward tropical floating fly lines. For bonefish and permit we recommend 10-foot knotless leaders, and 12-15 pound fluorocarbon shock tippet. For tarpon leaders we recommend 60-80 pound fluorocarbon hard shock tippet.

**Flies.** Good bonefish flies are for example Gotcha, Crazy Charlie, Bonefish Special and small crabs tied on hooks 4 or 6, sand and light-brown. Permit flies: Avalon Fly, Rag Head Crab, Brown Special, Velcro Crab and Del's Merkin tied on hooks 2 and 4. Flies for tarpon and snook: 1/0-3/0 brown and orange, orange and yellow, olive and white, Black Death, Black and Purple and Purple Death.

**Accommodation.** Accommodation for guests in Cayo Largo will be in Jardines Avalon 1 yacht, double cabins with air conditioning, shower and toilet. Meals in yacht are included (breakfast, lunch and dinner).

**Travel Arrangements.** Anglers take a flight to Havana, stay 2 nights in hotel there and continue following morning with a 3 hours bus trip to Zapesca. JA 1 yacht will be waiting for the guests in the harbour and take them to Cayo Largo.

**Trip length:** 6 fishing days/7 nights in Cayo Largo

**Price includes:**

- Bus transport Havana-Zapesca-Havana
- 6 fishing days, guide, boat (2 fishermen/guide)
- 7 nights in Jardines Avalon 1 yacht in Cayo Largo (2 persons/cabin, air conditioning, shower and toilet)
- All meals in JA 1 yacht (breakfast, lunch and dinner)
- 4 drinks/ fishing day (beer/ water/soft drink)
